# AI IN ACTION
# SUMMIT 2027

From Possibility to Business Impact

Two-day summit + workshops • 100 participants

Rubicube Creative • Hashmeta • WHALE
Vest Capital • Alonix Digital / APEX

Planning proposal • Date, venue and Indonesian host city require confirmation.

# What happens when AI becomes part of the business?

| | |
|---|---|
| **An idea** | Becomes a campaign. |
| **A challenge** | Becomes a working solution. |
| **A conversation** | Becomes a new opportunity. |

The summit brings these possibilities into the room.

# The event opportunity

Give the audience a reason to believe and a way to begin.

| | |
|---|---|
| **Who are they?** | Introduce the five-company collaboration. |
| **What can they achieve?** | Demonstrate relevant business applications. |
| **How do we start?** | Connect guests with the people behind the solutions. |

Confirm the announcement: market entry, partnership, company introduction or new offering.

# Event objectives

Introduce. Demonstrate. Connect. Activate.

| Objective | Intended outcome |
| --- | --- |
| Introduce | Build recognition among relevant business audiences. |
| Demonstrate | Make capabilities understandable through approved cases and demos. |
| Connect | Bring business leaders, practitioners and potential partners into conversation. |
| Activate | Generate consultation bookings and potential pilot opportunities. |

# AI in action

The big idea

AI becomes meaningful when people can see how it applies to their own work.

| | |
|---|---|
| **01 Understand** | The opportunity |
| **02 Experience** | The application |
| **03 Discuss** | The business need |
| **04 Choose** | The next step |

Event promise: leave with a clearer understanding of AI and one practical opportunity to explore.

# The event identity

AI IN ACTION SUMMIT 2027

| | |
|---|---|
| **Working tagline** | From Possibility to Business Impact |
| **Character** | Practical, confident and commercially relevant |
| **Experience** | A two-day platform for discovery, application and follow-up |
| **Commercial purpose** | Ongoing AI business development in Indonesia |

Event naming, availability checks and final launch announcement require confirmation.

# The audience

Shared curiosity. New business possibilities.

**100**

planned participants
across the two-day event

## PRIMARY AUDIENCE

Business owners and company leaders
Marketing, brand and commercial decision-makers
Technology, transformation and operations teams

## SUPPORTING AUDIENCE

Strategic partners and business communities
Relevant investors and ecosystem representatives
Selected business and technology media

Revenue assumes 100 paid tickets. Complimentary invitations reduce ticket income; confirm allocation.

# Five companies, one collaboration

Rubicube Creative • Hashmeta • WHALE • Vest Capital • Alonix Digital / APEX

| Partner | Source-supported position / confirmation needed |
| --- | --- |
| Rubicube Creative | Local commercial infrastructure, coordination, marketing and post-event sales. |
| Hashmeta | Participating company; speaker, demo and workshop scope to agree. |
| WHALE | Participating company; speaker, demo and workshop scope to agree. |
| Vest Capital | Participating company; session and contribution scope to agree. |
| Alonix Digital / APEX | Participating company; final display name and contribution scope to confirm. |

No additional partner-specific session, organizer or technology role is assumed.

# The experience pillars

| | |
|---|---|
| **DISCOVER** | Keynotes and conversations that make the opportunity clear. |
| **EXPERIENCE** | Demonstrations that show an application in context. |
| **EXCHANGE** | Questions, workshops and discussions around business needs. |
| **ACTIVATE** | Consultations and agreed follow-up actions. |

Any product trial offering remains unconfirmed and is not included in the ticket revenue model.

# The signature launch moment

The Next Move Starts Here

| | |
|---|---|
| **01 Opening film** | Recognizable business challenges and opportunities. |
| **02 Leadership statement** | What is launching and why it matters. |
| **03 Brand reveal** | Stage and screen moment using approved partner identities. |
| **04 Proof moment** | A short, rehearsed demonstration or approved case. |
| **05 Invitation to act** | Demo and consultation bookings through an event QR code. |

Proposed 8–10 minute sequence retained from the original deck. Announcement and participating brands to confirm.

# The two-day event format

A summit for discovery. A workshop day for application.

| Element | Day 1: Summit | Day 2: Workshops |
| --- | --- | --- |
| Purpose | Awareness, perspectives and business connections | Practical application and use-case development |
| Audience | 100 planned participants | Workshop ticket holders; 50 in the revenue model |
| Programming | Keynotes, launch, demos, panel and networking | Applied sessions, challenge clinics and feedback |
| Output | A relevant opportunity to explore | A use-case brief and agreed follow-up action |
| Operations | Venue, EO, host and catering | Venue, facilitation and attendance-based catering |

The two-day format is the planning basis. Detailed programming remains subject to partner agreement.

# Day 1: Summit experience

Discover the opportunity. Meet the collaboration.

| | |
|---|---|
| **MORNING** | Welcome, business perspectives and the confirmed launch announcement. |
| **MIDDAY** | Exchange creative and commercial perspectives through a panel and lunch. |
| **AFTERNOON** | Experience demonstrations, explore business needs and book next steps. |

Experience sequence adapted from the original deck; session content and speakers require confirmation.

# Day 1: Proposed summit rundown

Working agenda • Times and speakers require confirmation

| Time | Session |
|---|---|
| 08:30–09:15 | Registration, coffee and discovery area |
| 09:15–09:30 | Welcome and opening film |
| 09:30–10:30 | Business and technology perspectives |
| 10:30–10:45 | Launch moment and photo |
| 10:45–11:15 | Coffee break and demo viewing |
| 11:15–12:15 | Creative and commercial perspectives |
| 12:15–13:15 | Networking lunch |
| 13:15–14:00 | Panel: What Does It Take to Put AI to Work? |
| 14:00–14:45 | Applied AI showcase |
| 14:45–15:15 | Coffee break |
| 15:15–16:00 | Business challenge discussion and workshop briefing |
| 16:00–16:15 | Closing and next-step invitation |
| 16:15–17:30 | Networking and scheduled consultations |

Proposed timetable, not an approved event decision. Speaker and MC assignments remain open.

# Two days, connected outcomes

Discover. Apply. Follow through.

| Stage | Focus | Participant output |
| --- | --- | --- |
| DAY 1 • DISCOVER | Perspectives, launch, demonstrations | An opportunity worth exploring |
| DAY 2 • APPLY | Workshops and challenge clinics | A draft use-case brief |
| AFTER THE EVENT | Agreed discovery meetings and follow-up | A named owner and practical next action |

The Word document establishes Day 1 summit access and Day 2 workshop access; workshop capacity to confirm.

# Day 1: Discovery to engagement

Make the business opportunity tangible.

| | |
|---|---|
| **Understand** | Business perspectives and a clear launch announcement. |
| **See** | Approved demonstrations and relevant application examples. |
| **Discuss** | Panel questions, discovery conversations and business challenges. |
| **Choose** | Workshop interests, consultation requests and follow-up priorities. |

Detailed sessions are proposals. Product capabilities and public cases must be approved by the relevant company.

# Day 2: Proposed workshop rundown

Bring a challenge. Build a direction.

| Time | Program |
| --- | --- |
| 09:00–09:30 | Welcome and challenge selection |
| 09:30–10:45 | Applied workflow workshop |
| 10:45–11:00 | Coffee break |
| 11:00–12:15 | Business problem definition and solution exploration |
| 12:15–13:15 | Lunch |
| 13:15–14:30 | Creative strategy and human judgment in AI outputs |
| 14:30–14:45 | Coffee break |
| 14:45–15:30 | Business value and priorities |
| 15:30–16:30 | Use-case brief development and expert feedback |
| 16:30–17:00 | Share-back, follow-up ownership and close |

Facilitators, software access, demonstration accounts and each partner’s workshop scope require confirmation.

# After the summit: Advance

A promising idea becomes a defined next step.

| | |
|---|---|
| **Within 48 hours** | Share approved materials and confirm requested next steps. |
| **Within 1–2 weeks** | Hold relevant discovery meetings and readiness discussions. |
| **Within 30 days** | Review suitable opportunities and potential pilot briefs. |
| **Commercial coordination** | Rubicube manages Indonesian client relationships under signed partner agreements. |

This is post-event follow-through, not an additional event day. Meetings and agreements require further discussion.

# The event space

A space for discovery and conversation

| Zone | Purpose |
| --- | --- |
| Main stage | 100-seat planning basis for the summit, perspectives and demos |
| Partner discovery areas | Approved cases and team conversations; allocation to agree |
| Consultation lounge | Scheduled conversations with potential clients and partners |
| Networking area | Introductions, coffee and refreshments |
| Workshop area | Day 2 group exercises; model assumes 50 workshop ticket holders |
| Technical infrastructure | Reliable internet, backup demos, clear sound and device power |

Confirm venue/EO inclusions to avoid duplicate AV, stage, registration and technical staffing costs.

# Visual and creative direction

Intelligent. Confident. Human.

| Element | Proposed direction |
| --- | --- |
| Color palette | Midnight blue, white and electric cyan; adapted to brand guidelines |
| Typography | Large sans-serif headlines and readable supporting text |
| Graphic language | Connected points and lines resolving into recognizable outcomes |
| Imagery | People, business contexts and authentic product screens |
| Stage design | Central LED canvas with agreed partner brand placement |
| Motion graphics | Opening animation moving from a question to an application |

# Communication journey

Build curiosity. Establish relevance. Invite action.

| Timing | Communication | Call to action |
| --- | --- | --- |
| 4–6 weeks before | Announcement and direct invitations | Explore tickets and register |
| 2–4 weeks before | Speaker reveals and session previews | Purchase a ticket |
| Final week | Practical information and demo previews | Book relevant sessions |
| During the event | Coverage, highlights and interviews | Explore and book consultations |
| Within 48 hours | Thank-you and approved materials | Confirm next steps |
| Within 1–2 weeks | Relevant commercial follow-up | Hold discovery meetings |
| Within 30 days | Opportunity review | Progress suitable briefs |

Registration: company, role, business challenge, interests and selected ticket. Sharing requires participant consent.

# What success looks like

Progress from attendance to opportunity

| Area | Suggested measure |
| --- | --- |
| Attendance | 100 planned participants; distinguish paid and complimentary places |
| Audience quality | Target companies and relevant decision-making roles |
| Participation | Session attendance, demos and workshop completion |
| Engagement | Questions submitted and consultations requested |
| Financial sustainability | Tickets Rp150M + sponsorship Rp150M + partner funding Rp100M |
| Opportunity creation | Qualified challenges and completed discovery meetings |
| Commercial follow-through | Potential pilots or proposals progressing within 30 days |
| Guest experience | Satisfaction and perceived relevance |

Suggested measures retained from the deck. Targets beyond the financial model require agreement.

# Participation packages

100 paid tickets in the balanced financial model

| Element | SUMMIT ACCESS | SUMMIT + WORKSHOP |
|---|---|---|
| Ticket price / person | Rp1,200,000 | Rp1,800,000 |
| Admission | Day 1 summit | Day 1 summit + Day 2 workshops |
| Modelled paid tickets | 50 | 50 |
| Ticket revenue | Rp60,000,000 | Rp90,000,000 |
| Workshop access | Not included | Included; session registration to confirm |

**Total projected ticket revenue: Rp150,000,000**

Tax inclusion, fees, refunds, hospitality details and complimentary allocations require confirmation. No AI trial is promised.

# Preliminary event investment

Investing together in a high-impact AI business platform

| Baseline expenses | Rp million | Additional allowances | Rp million |
|---|---|---|---|
| Venue: 30M × 2 days | 60 | AV, lighting and sound | 20 |
| Event organizer: 25M × 2 days | 50 | Branding / documentation | 10 / 12 |
| MC / host: 10M × 2 days | 20 | Ticketing / internet | 5 / 5 |
| Marketing / advertising | 50 / 10 | Speaker travel / workshops | 20 / 10 |
| F&B: 250K × 100 × 2 days | 50 | Permits / security / guest kits | 5 / 5 |
| Initial subtotal | 240 | Additional subtotal | 92 |

**Rp332M subtotal + Rp33.2M contingency (10%) = Rp365.2M**

Indicative ceiling, not approved expenditure. Supplier quotes, scope overlaps, taxes and payment fees remain to validate.

# Event revenue & financial sustainability

A commercially sustainable collaboration

| Recommended hybrid funding model | Rp million |
|---|---|
| Tickets: 50 × Rp1.2M + 50 × Rp1.8M | 150 |
| Corporate sponsorship target | 150 |
| Partner contributions: 5 × Rp20M | 100 |
| Combined funding target | 400 |
| Estimated event cost | 365.2 |
| Indicative surplus | 34.8 |

**Tickets alone leave a Rp215.2M funding gap.**

Assumes 100 paid tickets and collected funding. Surplus is indicative, before unresolved taxes, fees and cost changes.

# Corporate sponsorship opportunities

Creating value for sponsors and strategic supporters

| Category | Target price | Potential benefits |
|---|---|---|
| PLATINUM | Rp100M | Premium visibility, opening acknowledgment, exhibition, executive invitations |
| GOLD | Rp50M | Prominent branding, exhibition, selected invitations and communications |
| SILVER | Rp25M | Supporting brand placement, selected invitations and acknowledgment |
| IN-KIND | Custom | Agreed venue, F&B, AV, media, accommodation or other services |

**Example target mix: 1 Platinum + 1 Gold = Rp150M**

Benefits are proposed. No automatic transfer of attendee data or qualified leads; introductions require consent.

# Shared investment, shared opportunity

Building the summit together

| Participating company | Modelled contribution |
|---|---|
| Rubicube Creative | Rp20 million |
| Hashmeta | Rp20 million |
| WHALE | Rp20 million |
| Vest Capital | Rp20 million |
| Alonix Digital / APEX | Rp20 million |
| Total partner contributions | Rp100 million |

Document cost approvals, revenue allocation, surplus / shortfall handling and reconciliation. Adjust costs when recognising in-kind support.

Rp20M each is the modelled baseline. Cash/in-kind mix and company-specific commitments are subject to negotiation.

# Recommended direction & decisions

Proceed on the two-day format and recommended hybrid model.

| Confirm before commitments | Decision required |
| --- | --- |
| Commercial framework | Rubicube compensation vs investment; surplus/loss allocation; deposit funding |
| Partner agreement | Company-specific roles, cash/in-kind valuation and signed client relationship terms |
| Venue and production | City, date, venue, supplier quotes and included scope; avoid double counting |
| Attendance and catering | Paid/complimentary mix; Day 2 headcount; speakers and crew; host duration |
| Speakers and workshops | Travel payer, speaker fees, facilitators, licenses and demonstration accounts |
| Ticketing and sponsorship | Tax-inclusive pricing, payment fees, refunds, benefits and privacy framework |
